

Appl. No. 10/025,256

Supplemental Response to Office Action Dated May 15, 2007

REMARKS

On July 30, 2007, Applicants filed an Amendment and Response to the Office Action dated May 15, 2007. Subsequent to filing said Amendment and Response, Applicants received an Interview Summary dated July 27, 2007. In said Interview Summary, the Examiner set forth the substance of the telephonic interview which was held on July 19, 2007 regarding the present application. Further, said Interview Summary stated that Applicant's response to the Office Action dated May 15, 2007 also needed to include the substance of the telephonic interview. Therefore, Applicants are filing this Supplemental Response to the Office Action dated May 15, 2007 which includes the substance of the telephonic interview held on July 19, 2007. Applicants and Examiner agreed that there were elements disclosed in FIG. 1 of the present application which were neither taught, nor suggested by Examiner's cited references. Examiner stated that Applicants' previous claims were directed more towards what is illustrated in FIG. 2 of the present application. Examiner further suggested that the Applicants should amend the claims to incorporate elements from FIG. 1 when attempting to overcome the rejections via the currently cited references. Examiner further indicated that patentability of the amended claims would not be determined until a formal reply had been filed and the search was updated. In their Amendment and Response filed July 30, 2007, Applicants amended the claims in accordance with Examiner's suggestions and cited that a telephonic interview had been held on July 19, 2007.

Appl. No. 10/025,256

Supplemental Response to Office Action Dated May 15, 2007

Respectfully submitted on behalf of

LSI Logic,
